Disadvantages of association with EU

- * Loss of sovereignty and identity of Member States;
- * The country becomes vulnerable in the context of competition of single European market;
- * Expenses made for reaching the European standard;
- * Changes in Romanian standard, which leads to expenses from Romanian SMEs;
- * Price increases;
- * Bureaucracy .

Advantages of association with EU

- * Money;
- * Evolution;
- * Integrated approach of concepts;
- * Mobility of persons, goods, and capital;
- * Raising the quality of life;
- * Enhanced institutional cooperation;
- * Economic and financial collaboration.

Thank

you!
